## President's Letter

**Hello Folks. You know, Rachel and I are very fortunate. Indeed, from my observations, I am happy to say that I think we are all quite fortunate. As a car guy, part of my good fortune is to own several nice cars, which you all probably know about. We have a motorhome which we like alot, the first car I owned and have had for 65 years, a Porsche Macan and, of course, our Ferrari. Oh yeah, and our Mini Cooper S.**

**Now you might think that if one has a Porsche and a Ferrari, a Mini Cooper would be far down on the list. But I really enjoy the Mini. So much so, in fact, that I have been shopping for a newer one for the last couple of months. Ideally, I could have found one I liked in the local area. No. Or Phoenix. No. Or Southern California or Las Vegas. No. So I started looking, on the internet, nationwide. I finally found one I really liked in Little Rock, Arkansas. About 1400 miles away at \$5+ per gallon for diesel fuel. Oh well.**

**Yes, a long trip just to buy a not too unusual car, but it had a serendipitous turnout. Our daughter was having a family reunion with her 4 children and their aunt and cousins in Hot Springs, Arkansas, which is about 65**

**miles from Little Rock at the same time as our trip. We got to spend time with all of them, including a grandson who is a career Air Force member whom we haven't seen for several years, and his new wife whom we had never met; and our granddaughter's new baby (yes, we're great grandparents). So, our trip turned out to be very nice.**

**Well, enough about me. How is our club doing? I'm happy to say it is doing quite well. We continue to grow. We have had several new members in the past couple of months. Our meetings, though not quite as well attended as I would like to see, have been very good, with some interesting speakers. If you've missed lately, please come join us.**

**Our car show is only several weeks away. We're all getting excited about it. I think it's going to be another good one. I want to thank everyone who will be helping to put it on. Our monthly outings have been a lot of fun. Craig Haberler has arranged some nice drives, with a real good one coming up later this month. Read about it elsewhere in this issue of Tire Tracks. I hope to see you next Tuesday, the 13th, at the library for our General Meeting.**
