Volume 34 Number 2

President's Letter

Hello Everyone. Well, I'm happy to say that our club is off to a great start for 2016. Our membership is up. Last year's new members have rejoined and our last few renewals are still coming in. A reminder, if you haven't sent in your renewal yet, please do so soon so that Sam Pietrofitta can include you in our membership directory. For all of you who have sent in your renewal, thank you.

We will do our best to see that you have a good time in our club. Steve Blank will arrange fun and interesting tours for us. Our car show will continue to be a great event, and there will be many more fun events during the year.

The Phoenix/Scottsdale auto auctions were held recently. I'm happy to say that prices continue to go up, so our "funny olde" cars continue to bring us fun and enjoyment, and are actually good investments. My Ferrari was a good example. I paid \$17,000 for it, owned and used it for 20 years, and sold it when we moved to Sedona for \$50,000. I've owned my Austin Healey for 59 years. I paid \$2,300 for it. It must be worth millions by now! If anyone acquired a new car at one of the auctions be sure to tell us about it at the February meeting.

I'll see you at the February meeting.

David Lombardi
President

Please bring it out and let others see it at the Sedona Elks Lodge

The lodge will be hosting a fun cruise in on the third Wednesday of each month from 5:00 to 7:00 in the Elks Lodge parking lot at 110 Airport Road, Sedona. The Lodge will be serving tacos and good quality grilled hot dogs on the patio. Beverages will be available in the lounge. This is being done to provide car owners an opportunity to show off their fine rides just for the fun of it and for the comradery. Seems too many great looking rides spend a lot of time in garages when showing them off and driving them is why you built them. So bring it out!

The Elks will have a page on Facebook. Look for Sedona Elks (or visit www.sedonaelks.org) cruise to check the dates and photos from recent cruise nights.
